## THOUSANDS OF SUFFRAGETTES CLASH WITH POLICE

**London Police Arrest Many Among Whom  
Is Miss Anne Martin of Reno Nevada---  
Insist Parliament Introduce Suffrage Bill.**

By Associated Press.  
LONDON, Nov. 18.—The militant suffragettes reopened hostilities against the government today, by marching a thousand strong on the parliament building and gave the police a lively fight. The women, many of whom were arrested, were led by Miss Emmeline Parkhurst. They were determined, if possible, to force the police cordon about the house of lords and, reaching Premier Asquith, insist upon the introduction of a woman's suffrage bill. The police were too strong, however, and repeatedly threw the women back, breathless and disheveled.

Among the suffragettes arrested was Miss Anne Martin of Nevada.

Miss Anne Martin is a resident of Reno, Nevada, and for several years was professor of history at the University of Nevada. She has taken a prominent part in the suffragette movement and has contributed widely to different magazines. She is a sister of Harry M. Martin and W. O. H. Martin, of the Nye County Mercantile company of this city. The first news they had of her arrest was when shown the Associated Press dispatch.

## ANOTHER WAR TO BE FOUGHT BY BOWLERS

**TONOPAH EXTENSION AND POSTAL TELEGRAPH TEAMS  
MEET THIS EVENING**

Another war has been declared among the local bowlers and tonight a great battle will take place at Dodd's bowling alleys. This time the struggle for supremacy will be between the teams from the Tonopah Extension and the Postal Telegraph. Captain Percy Oke, of the Postal, who was defeated Tuesday night, has stated that tonight's game can have but one ending, and that will be a victory for his team. His aggregation of pin busters made a poor showing in the contest with the Tonopah Drug team, and the captain immediately got into communication with a champion bowler at Milwaukee and hired him at an advanced salary. This champion is a great unknown and he will be in evidence tonight. Captain Oke has also been doing a little practicing and during the last few days has made an average of 189 a game. He is in fine form now and will be at his best tonight.

On the other hand Captain Harry Twining of the Extension is offering odds that he will win three straight games tonight. He has offered to bet a little silver on the outcome but the Postals are somewhat reluctant to take the bet. They realize that it is against the law to gamble and prefer to be law-abiding citizens. It was first intended that the Tonopah Banking corporation meet to a sudden attack of cold feet on the part of the former the schedule had to be changed. The Tonopah Mining is now organizing a team that will be placed in the field at an early date. Tonight's contest will start about 8 o'clock, and will be played according to the rules.

The Daily Bonanza reaches the people.

## GREAT BIBLICAL FILM TONIGHT AT BUTLER THEATRE

**"LIFE OF MOSES" WILL BE POR-  
TRAYED WITH AID OF  
MOVING PICTURES**

Everything is in readiness for the great reproduction of the "Life of Moses" at the Butler theater this evening. Owing to the length of the program there will be but two performances, the first commencing at 7 p. m. and the second at 8:45. Madison C. Peters, the great divine of New York City, pronounces these pictures to be the best Biblical production ever placed on the screen. The instrumental and vocal numbers are from the best composers, and as a further addition the management has an organ and viola added to the orchestra. Undoubtedly both performances will be crowded and as a suggestion we think it a good idea for those desiring to attend to secure their seats this afternoon as they can be had any time during the day. There will be no reserved seats—first come first served. In addition the following musical program will be carried out:

"Cast Thy Burden," quartet, Mrs. Zeb Kendall, Mrs. Wm. Grimes, Wm. Roach, Arthur Borrowers.  
"Ave Maria," Mascagni, Mrs. Zeb Kendall; violin obligato, Julius Goldsmith.  
"Comfort Ye My People," from "The Messiah," Arthur Borrowers.  
"The Holy City," Mr. B. Demmons; violin obligato, Julius Goldsmith.

"Rock of Ages," duet for soprano and tenor, Mrs. Wm. Grimes and Arthur Borrowers.  
Instrumental music, violin and organ, Julius Goldsmith and Henry Fife.

"The Lost Chord" ..... Sir Arthur Sullivan  
"Calvary" ..... Rodney  
"Ave Maria" ..... Gounod  
"The Palms" ..... Gounod  
Excerpts from "Maritina," "Faust," etc.

## ANNUAL DANCE WILL BE HELD ON THANKSGIVING

**PYTHIANS WILL HOLD FORTH  
THAT EVENING AT MINERS'  
EXCHANGE HALL**

Mizpah Lodge No. 25, Knights of Pythias, will do the honors on Thanksgiving evening to the dancing public, for on that occasion they will give their annual ball at the Miners' Exchange hall. In the past the Pythian affairs have stood out prominent, and whenever it was announced that a dance was to be given by the order, it meant that an excellent time was in store for the dance lovers of Tonopah. The committee to make all arrangements was appointed a few weeks ago and is still hard at work. An invitation has been extended the Knights of Pythias of Goldfield to attend and it is probable that a large delegation will arrive from that city. Millers will also send up a good representation. The tickets can be secured from any member of the order, or at the Tonopah Drug store.

R. C. Moore, assistant cashier of the Tonopah Banking corporation, returned from Los Angeles this morning.

setting forth the purposes of the organization, and providing for annual meetings. An address was delivered by W. W. Bates, former United States commissioner of navigation, who discussed the merchant marine.

## FOOTBALL FANS SHOULD SEE GAME IN THE MORNING

**EXCITING CONTEST SHOULD RE-  
SULT WHEN RIVAL HIGH  
SCHOOLS MEET**

All the lovers of the game of football in the city should be out at Volunteer park at 10 o'clock tomorrow morning in order to be in time for the kick-off in the game between the Tonopah and Goldfield high schools.

A crowd of fifty rooters will arrive from Goldfield on the morning train to assist their team in carrying off the Tonopah boys' goat, but the Tonopah rooters, under the lead of "Mickey" Johns, will make them go some to be heard, and if the result of the game depends upon the rooters, Tonopah will be sure to win.

The game will be played under the new rules which do away with the old-time mass plays and by the use of the forward pass and open plays make the game much faster and more interesting than formerly. Both teams have the forward pass down to perfection and are counting on its use for large gains.

The local boys are all in fine condition and will put the finishing touches to their week of hard practice this afternoon in going through light signal practice. Bob Woods, Tonopah's 180-pound tackle, has learned a few new stunts that will make the Goldfield line men sit up and take notice, while in Trabert and Dougherty at ends the home team has two fast men that are good for a touchdown any time they get away with the ball.

The teams are about evenly matched in weight and as the Tonopah boys are determined to redeem themselves for the defeat they received in Goldfield the game will be a hummer from start to finish.

Charles E. Overman of Goldfield will officiate as referee, while H. W. Stotesbury of Tonopah will act as umpire. Following is the line-up of the Tonopah team:

Fowler, center; Farrell, right guard; Wall, left guard; Pengelly, right tackle; Woods, left tackle; Trabert, right end; Dougherty, left end; Harrington (captain), quarter back; Flood, full back; Bowler, right half-back; Wiley, left half-back; Black, Evans, Havelin, substitutes.

## WEDDING BELLS WILL SOON RING FOR FRED BERRY

**FORMER TONOPAH ATTORNEY  
WILL WED MAID FROM  
GOLCONDA**

Fred L. Berry, formerly a member of the Tonopah law firm of Berry & Cole, and who lead both tickets two years ago when he ran on the republican side of the fence for the assembly, is going to be married. Mr. Berry is now district attorney of San Francisco. His engagement with Miss Alice Langwith, of Golconda, has just been announced and now congratulations are in order. Congratulations.

The announcement is the outcome of a romance of the legislature of two years ago when Miss Langwith was one of the copying clerks of the senate and one of the most charming of the entire delegation of attaches. Of course Assemblyman Berry's duties took him over to the senate chamber on numerous occasions and he frequently consulted with the copying clerk on legislation transacted by the upper house.

It was a very pretty romance and now the wedding bells will soon sound. No date for the wedding has been announced, but it is presumed that it will take place in the near future.

## BODY REMAINS SEALED IN TRUNK FOR FIVE YEARS

**Found In Cellar of New York Apartment  
House and Identity of the Skeleton Is a  
Mystery.**

By Associated Press.  
NEW YORK, Nov. 18.—The identity of the body found yesterday in a hermetically sealed trunk in the cellar of an apartment house remains a mystery, even the sex of the victim not being known, the five years or more in which the body had remained in its hiding place having reduced it almost to a skeleton. It is believed, however, that the remains are those of a woman.

The body was discovered by Phil Meagher, while preparing to move from a house which he had occupied for eight years. It had been jammed into a zinc tank, which had been fitted into a trunk and covered with paper and plaster of paris. The only clue is the name "W. Lewis" on the outside of the trunk. Lewis boarded with the Meagher family up to six years ago when he left, saying he would call for the trunk later.

## BROKEN CAR CAUSE OF DELAY OF PASSENGER

**YESTERDAY'S SOUTHBOUND PAS-  
SENGER TRAIN REACHES  
GOLDFIELD LATE**

Through the carelessness of the crew of a T. & G. freight train in failing to report that a broken down tank car had been left standing on the track near Klondyke Wells, the afternoon passenger train was delayed nearly two hours yesterday.

The tank car was attached to the freight, though marked in bad condition. During the journey a total collapse of one end occurred in such a manner that the platform of the car rested on the wheels. The car was detached from the train and left standing on the track, and it is asserted that the crew failed to report the wrecked car on the track.

When the passenger train came along it was forced to lay out until assistance could be summoned from Goldfield. This was done by wire and the wrecker proceeded to the spot. In the meantime a procession of automobiles and hacks hurried to the train and a large number of the passengers were hauled to Goldfield.
